

# Olawale Owoyomi

## Front-End Developer

Front-end developer with passion for innovation, analytical, and committed, capable of creating, assessing, and implementing apps and infrastructures. Dedicated to personal development and software development, ability to work well with senior developers and providing mentoring, I attended a 1000+ hour coding boot-camp to learn new languages while sharpening existing skills. Ready to apply my passion for coding to help technical teams produce high-quality solutions.

### WORK EXPERIENCE

#### KDA Links and technologies

Front-End Developer Apprenticeship

February 2024 - May 2024

- Assisted in building beautiful user interfaces for clients without compromising functionality for aesthetics.
- implemented newly-learned front-end object oriented programming to develop client server systems.
